- **Ethiopian Cargo is successfully IATA CEIV Pharma Re-Certified !**

- We are thrilled to announce that Ethiopian Cargo & Logistics Services has been awarded an international quality credential called IATA CEIV Pharma Certificate for its commitment to excellence and compliance in Pharmaceuticals & Life Science shipments logistics as an Airline & Ground Handling Company GHA. This achievement recognizes the hard work, dedication, and quality standards that Ethiopian has applied to its work. We are proud to have been recognized for our commitment to providing the highest quality product offerings and services to our customers. The airline is also the first and so far, the only in Africa to be certified with this certificate that many are calling the crown jewel of compliance.

- Ethiopian Cargo & Logistics Services has started a twice weekly freighter flight from Shenzhen to Liege. The new flight are operated by B777-200F with 100 tons capacity per flight.

# EXTENDING OUR SERVICE IN THE MONTH OF LOVE

## News Recap

Ethiopian Cargo and Logistics Services, the largest air cargo network provider in Africa, has started shipping flowers for Valentine's Day from Quito, Ecuador, Colombia, Miami (US), Nairobi, and Addis Ababa. Perishable goods like flowers famously transported in top condition through Ethiopian Cargo and Logistic Services' state-of-the-art temperature-controlled facilities and with a new & modern fleet.
