Did You know that

Ethiopian Airline Group, the largest Pan-African aviation group, Appointed Mesfin Tasew as New CEO of Ethiopian Airlines Group

Addis Ababa, 24 March 2022

The Board of Management of Ethiopian Airlines Group has announced the appointment of Mr. Mesfin Tasew Bekele, as Chief Executive Officer of Ethiopian Airlines Group, effective March 23, 2022. Mr Mesfin has been a successor to the former CEO of the Airline group, Tewolde GebreMariam whose early retirement request due to health issues has been approved by the board.

CELEBRATING 75 YEARS OF EXCELLENCE

Mesfin Tasew Appointed as New CEO of Ethiopian Airlines Group Addis Ababa, 24 March 2022

Mr. Mesfin has been serving as a Chief Executive Officer of ASKY Airlines since 2021 and has led the airline with a profitable growth strategy until the time of his new appointment. He has served as a Chief Operating Officer of Ethiopian Airlines from 2010 –2021 and successfully led the operation of the airline in an efficient and cost effective way by optimizing processes and developing internal resources to cope up with the airlines growth strategy.

Ethiopian Nominated for World Air Cargo Awards 2022

Organized by AZura International, publisher of Air Cargo Week, the World Air Cargo Awards 2022 is considered to be the global air cargo industry's most prestigious recognition of excellence.

The national flag carrier is shortlisted in two categories – 'Cargo airline of the year' and 'Air Cargo Industry Customer Care' awards. It is competing along with nine other airlines for the "Cargo airline of the year" 2022.

Ethiopian and five other airlines are also competing for the "Air Cargo Industry Customer Care" 2022 award.

Former Ethiopian Airlines Group CEO Mr. Tewolde Gebremariam got the award” in recognition of their leadership throughout the COVID Pandemic.

Former Ethiopian Airlines Group CEO Mr. Tewolde Gebremariam and Former Ethiopian Airlines Operational Director in Brazil & South America Mr. Girum Abebe received “The Order of Rio Branco (Ordem de Rio Branco) award” in recognition of their leadership throughout the COVID Pandemic.

The Government of Brazil awards Ethiopian Airlines for the spectacular service it rendered to Brazil during the high-time of the Coronavirus Pandemic.

It is to be recalled that Ethiopian Airlines had a great role repatriating Brazilian nationals back home and delivering COVID-19 vaccines & lifesaving supplies to Brazil and to the rest of the world.

Ethiopian Cargo & Logistics Services

Ethiopian Cargo & Logistics Services, Africa's largest cargo network operator and multiple global award winner came up with a means to transport your Express Cargo globally with speed & priority, guaranteed capacity and flexible consignment acceptance time.

Ambassador Tracey Jacobson at Ethiopian Airlines headquarters

Honored to have U.S. Chargé d’Affaires Ambassador Tracey Jacobson at Ethiopian Airlines headquarters. Chargé d’Affaires Jacobson had a fruitful discussion with Ethiopian executive management and visited Ethiopian state-of-the-art facilities including its Sky Technologies Aerospace Manufacturing.

Ethiopian Airlines signed a strategic partnership agreement to jointly commence “SAM” (Sea-Air-Modal)

Ethiopian Airlines signed a strategic partnership agreement to jointly commence “SAM” (Sea-Air-Modal) transportation with International Djibouti Industrial Park Operation (IDIPO) and Air Djibouti for an expeditious transportation of goods to Africa. Based on the agreement, the cargo will be transported from China to Djibouti Free Zone by sea and will be uplifted by air from Djibouti International Airport.

Ethiopian Airlines and Boeing Sign Memorandum of Understanding for New 777-8 Freighter

Ethiopian Airlines, the largest and leading aviation group in Africa, and its longstanding partner Boeing [NYSE:BA] today announced the signing of a Memorandum of Understanding with the intent to purchase five 777-8 Freighters, the industry's newest, most capable, and most fuel-efficient twin-engine freighter.

The Memorandum of Understanding to order the 777-8 Freighter will enable Ethiopian Airlines to meet expanding global cargo demand from its hub in Addis Ababa and position the carrier for long-term sustainable growth.
