Aviation Academy

PIONEER OF AVIATION EXCELLENCE

Flight Simulator Trainings

Ethiopian Airlines, the largest Aviation Academy in Africa, has multiple state of the art simulators located in Addis Ababa, Ethiopia. Being a pioneer in commissioning these devices in the region, our list of full range simulator facility training services includes;

- B787
- B 777
- B 765/757
- B 737 NG
- B 737 &
- Q 400

The service is available on both dry and wet lease basis. We believe that we best fit to serve our customers due to our competitive price, ideal location, well developed simulator training product and highly qualified instructors.
